OUR FLEET

G.L.C.'s fleet, conformed by the most luxurious yachts operating at the Galapagos Islands, promotes their selected fleet under the generic name "M/Y GALAPAGOS" only for marketing purposes; once the negotiation is closed the real name of the yachts will be stated in the formal contract.

Client's Speek

"The Galapagos Russian Explorer has to be the best
 boat in the Galapagos and the captain was very
 nice and very competent. We stayed on it from
 the water taxi to the water taxi. The
 journey was amazing. Really made the trip from
 the water taxi to the water taxi. The experience was
 very good. We will definitely recommend this agent."

-David C.
